DEBTORS' OMNIBUS REPLY IN SUPPORT OF DEBTORS'
FIFTH OMNIBUS OBJECTION (SUBSTANTIVE) PURSUANT TO
11 U.S.C. § 502(b) AND FED. R. BANKR. P. 3007 TO CERTAIN
(A) CLAIMS WITH INSUFFICIENT DOCUMENTATION AND (B)
CLAIMS NOT REFLECTED ON DEBTORS' BOOKS AND RECORDS

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this omnibus reply (the "Reply") in support of the Debtors' Fifth Omnibus Objection (Substantive) Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain (a) Claims With Insufficient Documentation And (b) Claims Not Reflected On Debtors' Books And Records (the "Fifth Omnibus Claims Objection"), and respectfully represent as follows:

1. The Debtors filed the Fifth Omnibus Claims Objection on December 8, 2006 to disallow and expunge (a) certain "Claims," as that term is defined in 11 U.S.C. § 101(5), because such Claims contain insufficient documentation in support thereof, (b) certain Claims that contain insufficient documentation in support thereof and are also untimely, (c) certain Claims that assert liabilities or dollar amounts that the Debtors have determined are not owing pursuant to the Debtors' books and records, and (d) certain Claims that assert liabilities or dollar amounts that the Debtors have determined are not owing pursuant to the Debtors' books and records and are also untimely. The Debtors sent each claimant whose proof of claim is subject to an objection pursuant to the Fifth Omnibus Claims Objection a personalized Notice Of Objection To Claim, which specifically identified the claimant's proof of claim that is subject to an objection and the basis for such objection. Responses to the Fifth Omnibus Claims Objection were due by 4:00 p.m. (Prevailing Eastern Time) on January 4, 2007.

2. As of January 10, 2007 at 9:00 a.m. (Prevailing Eastern Time), the Debtors had received seven formal timely-filed docketed responses and two formal undocketed responses (the "Responses") to the Fifth Omnibus Claims Objection. A chart summarizing each of the Responses is attached hereto as Exhibit A.

3. Pursuant to the Order Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 2002(m), 3007, 7016, 7026, 9006, 9007, And 9014 Establishing (i) Dates For Hearings Regarding Objections To Claims And (ii) Certain Notices And Procedures Governing Objections to Claims (Docket No. 6089) (the "Claims Objection Procedures Order"), the hearing with respect to each of the Claims for which a Response was filed will be adjourned to a sufficiency hearing or claims objection hearing, as appropriate, to determine the disposition of such Claims.

4. In addition to the Responses, the Debtors also received informal letters, e-mails, and phone calls from various parties questioning the relief requested and seeking to reserve certain of their rights with respect thereto (the "Informal Responses"). The Debtors believe that all the concerns expressed by the Informal Responses have been adequately resolved.

5. Attached hereto as Exhibit B is a form of revised order in respect of the Fifth Omnibus Claims Objection.¹ The Revised Order reflects (a) the resolutions reached for the Informal Responses received by the Debtors and (b) the adjournment of the Responses to a future hearing date pursuant to the Claims Objection Procedures Order.

6. The Debtors respectfully request that this Court enter the Debtors' Revised Order sustaining the Debtors' objections as to Claims for which no Response was filed and granting the further relief requested therein.

¹ Attached hereto as Exhibit C is a copy of the Revised Order marked to show revisions to the form of proposed order that was submitted with the Fifth Omnibus Claims Objection.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) sustaining the Fifth Omnibus Claims Objection, subject to the modifications made to the Revised Order, (b) adjourning the hearing with respect to all Claims as to which a Response was filed pursuant to the Claims Objection Procedures Order, and (c) granting the Debtors such other and further relief as is just.

1.	State of Michigan Department of Treasury (Docket No. 6266)	(a) 4534 (b) 4537 (c) 9273	<p>(a) State of Michigan Department of Treasury ("SMDT") asserts that all three proofs of claim were filed as administrative expense claims against three different Debtors. SMDT asserts that Claim No. 4534 is based on a Use Tax allegedly owed by Delphi Technologies, Inc. for the period from October 8 to October 31, 2005, in the amount of \$20,684.20. The tax assessment was allegedly based on an audit conducted by SMDT. SMDT asserts with respect to all three proofs of claim that the audit assessments are not final, do not contain final assessment dates, and, are thus subject to appeal by the Debtors. SMDT requests that all three of its administrative expense proofs of claim be allowed and paid, as filed, until the audit process is completed and final assessments are corrected and issued.</p> <p>(b) SMDT asserts that Claim No. 4537 is based on a Use Tax allegedly owed by Delphi Automotive Systems, LLC for the period from October 8 to October 31, 2005, in the amount of \$145,551.50. The tax assessment was allegedly based on an audit conducted by SMDT.</p> <p>(c) SMDT asserts that Claim No. 9273 is based on a Use Tax allegedly owed by Delphi Corporation for the period from October 8 to October 31, 2005, in the amount of \$585,989.54. 2.	Samtech Corporation (Docket No. 6400)	15611	Samtech asserts that its claim is based upon goods sold and delivered to the Debtors. Samtech further asserts that its setoff claim is based upon a claim of the Debtors against Samtech and/or Mtronics.com, Inc.	Books and Records

3.	Textron Financial Corporation (Docket No. 6404)	12935	Textron asserts that its claim is based upon \$288,679.23 worth of receivables owed by the Debtors to PSA Quality Systems, Inc. ("PSA"), which receivables Textron acquired through the sale of PSA's assets in PSA's bankruptcy case. Textron asserts that it believes it "may" have a claim against the Debtors' estates based on these receivables, but needs 30 to 60 days to further investigate the same.	Books and Records
4.	Oetiker, Inc. (Docket No. 6394).	722	Oetiker asserts that its claim is for goods sold to the Debtors. Oetiker further asserts that it has met its initial burden to establish the <u>prima facie</u> validity of its claim, and that the Debtors have not rebutted the same.	Books and Records
5.	Sierra Liquidity Fund LLC (Docket No. 6422)	14671	Sierra asserts that it is the assignee of the claim of Deliverus Network Inc. Sierra asserts that it has attached invoices, purchases orders, and proofs of delivery to support its claim in the amount of \$22,290.00.	Books and Records
6.	Yilmaz Sahinkaya; Structural Mechanics Analysis, Inc. (Docket No. 6421)	7907	Yilmaz Sahinkaya and Structural Mechanics Analysis (collectively, "SMA") assert that SMA completed 80% of services for which it contracted with the Debtors to complete. SMA gives a detailed analysis of the work performed for the Debtors, and asserts that the Debtors did not pay SMA's second invoice in the amount of \$42,400, which amount constitutes SMA's claim.	Books and Records
7.	Energy Engineering & Consulting Services, LLC (Docket No. 6443)	179	Energy Engineering & Consulting Services, LLC ("EECS") asserts that it provided engineering consulting services to the Debtors. EECS further asserts that the Debtors paid all EECS's invoices except for its September 2005 invoice in the amount of \$4,480, which amount constitutes EECS's claim. EECS asserts that it will accept 75% of the claim, or \$3,360.	Books and Records
8.	Massachusetts Department of Revenue (Undocketed as of January 9, 2007 at 11:00 a.m.)	3092	The Massachusetts Department Of Revenue asserts that the Debtors submitted a tax return and payment on October 17, 2005, but that the payment was dishonored on October 21, 2005 and thus the claimant has an outstanding claim against the Debtors for withholding tax.	Books and Records

9.	Maricopa County Treasurer (Undocketed as of January 9, 2007 at 11:00 a.m.)	16317, 16333	<p>The Maricopa County Treasurer asserts that it has personal property tax claims against both Delphi Automotive Systems, LLC and Delphi Corporation for both 2005 and 2006 personal property taxes. Each of those claims appear to have been docketed more than once. The two claims that were objected to in the Fifth Omnibus Claims Objection were for 2006 tax liability and were filed against two different Debtor entities, both in the amount of \$6,041.34.</p> <p>The Maricopa County Treasurer acquiesces that it currently has only one claim, for 2006 taxes, and that it filed that claim in multiple cases. Further, the Maricopa County Treasurer acknowledges that several of its claims for 2005 property taxes were docketed multiple times and that such claims are duplicative. Moreover, the Maricopa Country Treasurer acknowledges that those 2005 taxes have been paid. The Maricopa Country Treasurer states that the only remaining balance owed to it is \$4,742.82 for 2006 taxes.</p> <p>The Maricopa County Treasurer requests that the Court direct that the claims that have been paid be withdrawn, leaving only one remaining claim for 2006 taxes in the amount of \$4,742.82.</p>	Untimely Books and Records

DEBTORS' OMNIBUS REPLY TO OBJECTIONS TO DEBTORS' MOTION FOR
ORDER UNDER 11 U.S.C. § 1121(d) EXTENDING
DEBTORS' EXCLUSIVE PERIODS WITHIN WHICH TO FILE
AND SOLICIT ACCEPTANCES OF REORGANIZATION PLAN

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), hereby submit this reply to the objection of Highland Capital Management, LP ("Highland") (Docket No. 6442) and the response of the Official Committee of Equity Security Holders (the "Equity Committee") (Docket No. 6444) (collectively, the "Objections") to the Debtors' motion for an order under 11 U.S.C. § 1121(d) further extending the Debtors' exclusive periods ("Exclusive Periods") within which to file and solicit acceptances of a plan of reorganization (the "Motion") (Docket No. 6285). A chart summarizing the Objections and the Debtors' responses is attached hereto as Exhibit A.

In support of this Reply, the Debtors respectfully represent as follows:

Preliminary Statement

1. Of all the Debtors' stakeholders, only a single party-in-interest—Highland—maintains an objection to an extension of the Exclusive Periods. As a would-be plan funder, however, Highland's motives are obviously to disrupt the existing Plan Investors' actions under the Framework Agreements.¹ Highland's purported grounds for terminating exclusivity are nothing more than a thinly-veiled effort to seek advantage for itself at the expense of Delphi's unfolding reorganization process.

¹ Capitalized terms not defined herein have the meanings ascribed to them in the Motion.

2. The Official Committee of Unsecured Creditors (the "Creditors' Committee") initially objected to the length of the extension,² but now affirmatively supports the relief sought in the Motion.³ The Equity Committee elected not to object in its "Statement," expressly deferring to this Court's discretion.

3. The record of these cases shows unequivocally that the Debtors have moved their reorganization forward without delay and that a six-month extension of the Exclusive Periods is warranted at this time because it coincides with the timeframe contemplated by the Framework Agreements. The Objections should therefore be overruled.

Background

4. As noted in the Motion, on December 21, 2006, Delphi received an unsolicited offer from Highland, which Highland believes, if implemented, would provide a superior alternative proposal to the EPCA and PSA with the Plan Investors including up to a \$4.7 billion equity commitment. Promptly after receiving the Highland offer, Delphi acknowledged publicly on December 21, 2006 that "it would carefully analyze and consider Highland's proposal and discuss its merit with its Board of Directors" and reached out to Highland and began discussions with respect to the Highland proposal. Delphi's

² Objection Of The Official Committee of Unsecured Creditors To Motion For Order Under 11 U.S.C. § 1121(d) Extending Debtors' Exclusive Periods Within Which To File And Solicit Acceptances Of Reorganization Plan (Docket No. 6440).

³ See Statement of the Official Committee of Unsecured Creditors in Support of the Expedited Motion for Order Authorizing and Approving the Equity Purchase and Commitment Agreement Pursuant to Sections 105(a), 363(b), 503(b) and 507(a) of the Bankruptcy Code and the Plan Framework Support Agreement Pursuant to Sections 105(a), 363(b), and 1125(e) of the Bankruptcy Code, Withdrawal of Preliminary Objection Thereto, and Withdrawal of Objection to Debtors' Motion for Order Extending Exclusive Periods Within Which to File and Solicit Acceptances of Reorganization Plan (Docket No. 6532).

Board of Directors met on January 3, 2007 and again on January 9 and 10, 2007 to consider two decisions: (a) whether to proceed with the hearing on the Framework Motion on January 11, 2007 and (b) what to communicate to Highland in response to its December 21st proposal.

5. Earlier today (January 10, 2007), Delphi advised Highland that the Debtors had decided to proceed to seek approval of the Framework Motion at the January 11, 2007 hearing in the Bankruptcy Court having concluded that it continues to be in the best interests of the Company and its stakeholders, taken as a whole, for the Debtors to be permitted to enter into the PSA and EPCA and perform those agreements in accordance with their terms.

6. Delphi advised Highland that based on the information presently available to the Debtors, the Debtors could not conclude that the Highland proposal, as a matter of fact, would deliver superior value to Delphi stakeholders and that, like the EPCA and PSA, there is significant conditionality and risks of execution. Delphi also advised Highland that the Debtors had concluded that it is premature to move forward with Highland regarding a transaction at the present time but would consider reviewing this assessment consistent with the requirements of the EPCA and PSA should Highland choose to address various issues outlined to Highland by Delphi. Delphi also acknowledged to Highland that time is of the essence and, at some point in the future, the mere passage of time, the progress made under the EPCA and PSA, and/or other considerations may preclude further practical consideration of Highland's interest in Delphi.

Argument

A. Cause Exists For Extension Of The Exclusive Periods

7. Pursuant to section 1121(d) of the Bankruptcy Code, the Court may extend a debtor's exclusive periods for cause. See 11 U.S.C. § 1121(d). As detailed in the Motion, courts examine the following factors to determine whether "cause" exists to extend a debtor's Exclusive Periods:

- (a) the existence of good faith progress toward reorganization;
- (b) existence of an unresolved contingency;
- (c) the size and complexity of the debtor's case;
- (d) a finding that the debtor is not seeking to extend exclusivity to pressure creditors "to accede to [the Debtor's] reorganization demands"; and
- (e) the fact that the debtor is paying its bills as they come due.

In re McLean Indus., Inc., 87 B.R. 830, 834 (Bankr. S.D.N.Y. 1987); accord In re Hoffinger Indus., Inc., 292 B.R. 639, 644 (B.A.P. 8th Cir. 2003).

8. Highland makes little effort to refute any of the McLean factors. Highland's objection is based not on a lack of cause, but primarily on the ground that it should not be required to sign the same confidentiality agreement signed by other interested plan investors.

B. Highland's Limited Objection Is Without Merit

- (i) The Debtors Are Not Seeking To Extend Exclusivity To Pressure Creditors To Accede To Their Demands

9. Highland cites the McLean factor that exclusivity should not be used to give the debtor an unfair bargaining leverage, but then makes the unfounded assertion

that Highland's own failure to sign the same confidentiality agreement already signed by other potential plan investors somehow supports denial of the Motion.⁴ Not surprisingly, Highland offers no authority or rationale to explain why its refusal to sign constitutes unfair leverage by the Debtors or an absence of cause to extend exclusivity.

10. To the extent that Highland or the Equity Committee adopt the assertion that the Debtors have pressured their creditors by unilaterally summoning parties to meetings or by agreeing to conduct framework discussions only after the STN Motion⁵ was filed, such assertions are contrary to the facts. The framework discussions were the result of a collaborative effort to find and implement a process to execute the Debtors' Transformation Plan.

11. Shortly after adjournment of the 1113/1114 Motion in early June 2006, the Debtors and their advisors began to develop strategies to resolve labor issues and transformation issues related to GM. In the week before the Creditors' Committee filed the STN Motion on July 28, 2006, the Debtors and Creditors' Committee discussed the need for a process to resolve the GM claims with the participation of all key parties. On July 27, 2006, the Creditors' Committee reiterated its desire that the Debtors and their counsel take the initiative to lead the parties in resolving these issues. At the end of that week, on July 28, 2006, the Debtors' advisors scheduled the meetings that resulted in the framework

⁴ Additionally, the Debtors object to Highland's disclosure of the contents of its negotiations with the Debtors over a confidentiality agreement. Highland's public description of confidential negotiations further supports the Debtors' insistence on entry into a confidentiality agreement acceptable to the Debtors.

⁵ Motion For An Order Authorizing The Official Committee Of Unsecured Creditors To Prosecute The Debtors' Claims And Defenses Against General Motors Corporation And Certain Former Officers Of The Debtors, filed on July 28, 2006 (Docket No. 4718) (the "STN Motion").

discussions during the following week, from August 1-3, 2006. Moreover, regardless of what prompted the Debtors to schedule the framework discussions, the fact remains that the Debtors decided to pursue the framework discussions, prepared for and arranged for them to occur, and caused them to remain on track until their consummation in the form of the consensual Framework Agreements.

12. Rather than railroading their stakeholders into a predetermined course of action, the Debtors and their professionals have consistently conferred with their constituencies on all major matters in these cases, and have often incorporated other positions in deference to the views of the Creditors' Committee, the Equity Committee, and other stakeholders. The Debtors continued this track record with respect to the Framework Agreements, which were the result of five months of negotiations and incorporate many of the statutory committees' comments or positions. These are not the actions of a debtor seeking to use exclusivity to pressure creditors into acceding to its demands.

(ii) Highland Acknowledges Unresolved Contingencies

13. Highland argues that existence of a single McLean factor—"unresolved contingencies"—actually weighs against extending exclusivity. The contingencies inherent in completing the process contemplated by the Framework Agreements, however, demonstrate the need for continued exclusivity. An extension is necessary to allow the Debtors to complete the potential reorganization made possible by the Framework Agreements. An extension would further allow the Debtors to make progress with respect to any other approach that may be required as events continue to develop.

14. Nor do the contingencies represented by the pending objections to the Framework Motion militate against an extension. As shown in the reply to those objections,⁶ the commitment fees under the Framework Agreements are reasonable when compared to the related transaction and do not become payable until significant, meaningful milestones are achieved. The remaining terms of the Framework Agreements also fall squarely within the Debtors' business judgment. In any event, the test has never required that the contingencies be subject to a 100 percent chance of completion. By its nature, a contingency involves a risk that something may or may not occur.

15. What Highland obviously seeks is to pressure Delphi during its continuing evaluation of Highland's unsolicited proposal and to obtain the right to file its own plan of reorganization. Highland, however, should not be permitted to substitute its own judgment for that of the Debtors as to how the Debtors respond to the Highland proposal. Highland's objection also ignores the many risks, difficulties, distractions, potential loss of value, and significant costs that result when termination of exclusivity permits the filing of competing plans of reorganization. These risks and costs are particularly unwarranted when, as here, the Debtors are working toward a plan proposal that would pay all creditors in full as contemplated in the Framework Agreements.

(iii) The Other McLean Factors Are Not Contested

16. Highland explicitly acknowledges that the Debtors have made significant progress toward reorganization during the past six months, as detailed in the

⁶ For a more comprehensive discussion of the Debtors' evaluation of the Highland proposal, see Debtors' Omnibus Reply To Objections To Plan Investment And Framework Support Approval Motion filed on January 10, 2007 (Docket No. 6531).

Motion and as is uncontested by the Equity Committee. And Highland does not dispute that the Debtors' cases are complex or that the Debtors are timely paying their bills. Thus, Highland does not dispute three of the five McLean factors.

C. Exclusivity Should Be Extended For An Additional Six Months

17. As set forth in the Motion, the Debtors seek a six-month exclusivity extension that is consistent with the timeframe contemplated by the Framework Agreements and no greater than prior extensions granted by this Court. The Creditors' Committee now supports this relief, and Highland and the Equity Committee are silent as to the proper length on any extension. The fact that the Debtors now need to reach agreements with certain unions and GM to implement the Framework Agreements only highlights how important it is that exclusivity be extended for another six months.

D. The Equity Committee's Statement Does Not Oppose The Debtors' Request For An Extension

18. The Equity Committee merely states the obvious and uncontroversial proposition that the reorganization process should be fair and designed to maximize value without favoring any one party. Delphi is acting in accord with this principle and is thoroughly evaluating the Highland proposal, as it would any proposal that has the potential of supporting a successful reorganization.⁷ Delphi will continue that process in accordance with its fiduciary duties. Thus, the Equity Committee's Statement should be viewed as supporting the relief requested in the Motion.

⁷ See infra note 6.

Conclusion

WHEREFORE the Debtors respectfully request that the Court enter an order (i) granting the Motion and (ii) granting the Debtors such other further relief as is just.

**SUMMARY OF OBJECTIONS TO THIRD 1121(d) EXCLUSIVITY EXTENSION MOTION
(organized by objection)**

A total of three objections have been filed, one of which was subsequently withdrawn on January 10, 2007. The filing deadline for objections was January 4, 2007.

Summary Of Objection	Objection Docket Nos.	Resolution, Response, Or Proposal
1. <u>Extension Okay, But Should Be 60 Days</u>		
(a) <u>Lack of a deal with the creditors' committee and unions.</u> The Debtors have not reached a deal with all of their constituencies, including the creditors' committee and unions, and have instead entered into the Framework Agreements.	6440 (creditors' committee)	Withdrawn.
(b) <u>The STN Motion prompted the framework discussions.</u> The creditors' committee brought GM to the bargaining table and almost had a deal on a plan to pay creditors in full, but the Debtors then summoned the creditors' committee and GM to the framework discussions.	6440 (creditors' committee)	Withdrawn.
(c) <u>Creditors' committee ignored.</u> The Debtors have ignored the statutory committees' objections and refused to include the committees in its discussions.	6440 (creditors' committee)	Withdrawn.
(d) <u>The initial deadlines in the Framework Agreements are near.</u> Under the Framework Agreements, the Debtors must negotiate deals with GM and unions by January 31, 2007. So the extension should be limited to 60 days.	6440 (creditors' committee)	Withdrawn.
(e) <u>Leverage.</u> An extension beyond 60 days would perpetuate the current imbalance of negotiating strength.	6440 (creditors' committee)	Withdrawn.
2. <u>There Should Be An Open Bidding Process</u>		
(a) The Debtors should not be able to prefer one potential plan investor or group of investors over another.	6444 (equity committee) 6442 (Highland Capital Management)	The Board has evaluated the Highland Capital Management proposal and as necessary will continue that process, in accordance with its fiduciary duties. The equity committee and Highland Capital Management, however, cannot substitute their judgment for the Board's exercise of its duties.

Summary Of Objection	Objection Docket Nos.	Resolution, Response, Or Proposal
<p>3. <u>Framework Agreements Too Contingent</u></p> <p>(a) Objections and contingencies increase the likelihood that the Framework Agreements may never be approved.</p>	6442 (Highland Capital Management)	The existence of contingencies actually supports an extension. With respect to the objections, the commitment fees are reasonable when compared to the related transaction and do not become payable until significant, meaningful milestones are achieved. The remaining terms of the Framework Agreements also fall squarely within the Debtors' business judgment. Contingencies under this test need not be subject to a 100 percent chance of completion.
<p>4. <u>Confidentiality Agreement</u></p> <p>(a) Highland Capital Management should not be required to sign the same confidentiality agreement signed by other potential plan investors.</p>	6442 (Highland Capital Management)	This is irrelevant to the Debtors' extension request. Even if it were, the Debtors have offered Highland Capital Management, a newcomer, the same confidentiality agreement signed by other potential investors.

DEBTORS' OMNIBUS REPLY IN SUPPORT OF DEBTORS' FOURTH OMNIBUS
OBJECTION PURSUANT TO 11 U.S.C. § 502(b) AND FED. R. BANKR. P. 3007 TO
CERTAIN DUPLICATE AND AMENDED CLAIMS

Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates,
debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"),

hereby submit this omnibus reply (the "Reply") in support of the Fourth Omnibus Objection Pursuant To 11 U.S.C. § 502(b) And Fed. R. Bankr. P. 3007 To Certain Duplicate And Amended Claims (the "Fourth Omnibus Claims Objection"), and respectfully represent as follows:

1. The Debtors filed the Fourth Omnibus Claims Objection on December 8, 2006 to disallow and expunge certain "Claims," as that term is defined in 11 U.S.C. § 101(5), because such Claims are duplicative of other Claims or have been amended or superseded by later-filed Claims. The Debtors sent each claimant whose proof of claim is subject to an objection pursuant to the Fourth Omnibus Claims Objection a personalized Notice Of Objection To Claim, which specifically identified the claimant's proof of claim that is subject to an objection and the basis for such objection. Responses to the Fourth Omnibus Claims Objection were due by 4:00 p.m. (prevailing Eastern time) on January 4, 2007.

2. As of January 10, 2007, the Debtors had received 13 timely-filed formal responses to the Fourth Omnibus Claims Objection (collectively, the "Responses"). For the Court's convenience, a chart summarizing the Responses by respondent is attached hereto as Exhibit A. The 13 formal Responses were all filed by holders of duplicate and amended Claims. Each of the respondents filed duplicative claims against different Debtors for the same asserted obligation because they were unable to determine which Debtor entity was actually liable for their claims. As reflected on Exhibit A hereto, the Debtors believe that the provisions contained in paragraph 3 of the Debtors' proposed order filed with the Fourth Omnibus Claims Objection (the "Original Order") address the concerns of most of the respondents. That provision remains the same in the revised proposed order, a copy of which is attached hereto as Exhibit B (the "Revised Order"). Nonetheless, as set forth on Exhibit A hereto, the Debtors have agreed to adjourn certain of the Responses to a future hearing date.

3. In addition to the Responses, the Debtors also received informal letters, e-mails, and phone calls from various parties requesting clarification of the relief requested in the Fourth Omnibus Claims Objection (the "Informal Responses"). Several Claimants who submitted Informal Responses had filed Claims against multiple Debtor entities for the same liability. In addition, certain of these respondents requested that the Debtors reverse the "Surviving Claim" and the "Claim To Be Expunged" listed on Exhibit A to the Fourth Omnibus Claims Objection (the "Duplicate and Amended Claims Exhibit"). As a result of the Debtors' agreement to revise the Original Order, many of these parties did not file formal responses. The Revised Order and the proposed exhibits thereto reflect the resolutions reached on these Informal Responses. Finally, the Debtors agreed with certain of the parties who raised Informal Responses to adjourn the hearing with respect to those claims to a future hearing date, as set forth on Exhibit C hereto.

4. Except for those Responses and Informal Responses that have been adjourned to future hearing dates, the Debtors believe that the Revised Order adequately addresses the concerns of the respondents. Thus, the Debtors request that the Court approve the relief requested by the Debtors and enter the Revised Order.

WHEREFORE the Debtors respectfully request that this Court enter an order (a) granting the Fourth Omnibus Claims Objection, subject to the modifications reflected in the Revised Order, (b) overruling the Responses, to the extent that any respondent asserts that such respondent's Response is not adequately addressed by the Revised Order, and (c) granting the Debtors such other and further relief as is just.

Retirees of Delphi Corporation represented by IUE-CWA during their employment (Docket No. 6424)	12574	The IUE-CWA Retirees assert that they do not have detailed information about the intricacies of the Debtors' corporate structure, so they filed a proof of claim against each Debtor entity. The Claimants further assert that the Debtors have offered no evidence that the disputed claim is in fact duplicative or that the IUE-CWA Retirees will be able to achieve complete relief through the surviving claim. IUE-CWA Retirees do not seek duplicate relief, but assert that these cases have been consolidated for administrative purposes only. 4. IUE-CWA/Delphi Corp. Further, the claimant asserts that the Debtors have offered no proof that the disputed claim is in fact duplicative or that the IUE-CWA Joint Activities Center would achieve complete relief through the surviving claim. IUE-CWA Joint Activities Center does not seek duplicate relief, but states that it seeks to protect its right to claims for which a Debtor entity other than Delphi may be responsible. No other or further notice of the Fourth Omnibus Claims Objection is necessary.

B. The Court has jurisdiction over the Fourth Omnibus Claims Objection pursuant to 28 U.S.C. §§ 157 and 1334. The Fourth Omnibus Claims Objection is a core proceeding under 28 U.S.C. § 157 (b)(2). Venue of these cases and the Fourth Omnibus Claims Objection in this district is proper under 28 U.S.C. §§ 1408 and 1409.

2. The hearing with respect to each Claim listed on Exhibit B hereto shall be adjourned to the date set forth on Exhibit B with respect to such Claim. The claimants asserting

the Claims listed on Exhibit B hereto that have not yet filed a response in opposition to the Fourth Omnibus Claims Objection with respect to such Claims shall be entitled to file such a response on or prior to 4:00 p.m. (prevailing Eastern time) on February 7, 2007 unless otherwise set forth on Exhibit B; provided, however, that the adjournment provided hereby shall be without prejudice to the Debtors' right to assert that any responses received after 4:00 p.m. (prevailing Eastern time) on the date set forth on Exhibit B with respect to such Claim were untimely or otherwise deficient under the Claims Objection Procedures Order. The Debtors shall be entitled to file a reply in support of the Fourth Omnibus Claims Objection with respect to all Claims listed on Exhibit B hereto on or prior to 4:00 p.m. (prevailing Eastern time) on the day before the date of the hearing with respect to such Claim.

3. Entry of this order is without prejudice to the Debtors' right to object to any other claims in these chapter 11 cases, or to further object to claims that are the subject of the Fourth Omnibus Claims Objection, on any grounds whatsoever; provided, however, that solely to the extent that (a) a claimant filed duplicative claims against different Debtors for the same asserted obligation (the "Multiple Debtor Duplicative Claims") and (b) certain of such claimant's Multiple Debtor Duplicative Claims are being disallowed and expunged hereby, the Debtors shall not seek to have the claimant's remaining Multiple Debtor Duplicative Claim (the "Surviving Claim") disallowed and expunged solely on the basis that such Surviving Claim is asserted against the incorrect Debtor, provided that one of the Multiple Debtor Duplicative Claims was originally filed against the correct Debtor. For the avoidance of doubt, except as expressly provided in the preceding sentence, the Surviving Claims shall remain subject to further objection on any grounds whatsoever, including, without limitation, that any such Surviving Claim is asserted against the incorrect Debtor if the claimant did not file a Multiple

Debtor Duplicative Claim against the correct Debtor. Nothing contained herein shall restrict the Debtors from objecting to any Surviving Claim or any holder of a Surviving Claim from seeking relief from this Court for the purposes of requesting that this Court modify the Debtor or Debtors against which such Surviving Claim is asserted.

("MBUSI") in its Motion for Authorization to File Proofs of Claims After the Bar Date, or, Alternatively, To Treat Proofs of Claims Filed Against Delphi Corporation As Claims Against Bankrupt Delphi Entit(ies) Which May Later Be Discovered to Be Liable to MBUSI (Docket No. 4778) (the "Motion"), and all of the rights, claims, and defenses of the Debtors, MBUSI and other parties-in-interest regarding the Motion are expressly preserved.

5. Notwithstanding the docketing of the claims, claim numbers 15975, 15981, and 15986 shall be deemed to be asserted against Delphi Automotive Systems LLC; claim number 15983 shall be deemed to be asserted against Delphi Medical Systems Colorado Corporation; and claim number 15984 shall be deemed to be asserted against Delphi Mechatronic Systems, Inc.

7. This Court shall retain jurisdiction over the Debtors and the holders of Claims subject to the Fourth Omnibus Claims Objection to hear and determine all matters arising from the implementation of this order.

8. Each Claim and the objections by the Debtors to each Claim addressed in the Fourth Omnibus Claims Objection and set forth on Exhibit A and Exhibit B hereto

constitutes a separate contested matter as contemplated by Fed. R. Bankr. P. 9014. This order shall be deemed a separate order with respect to each Claim. Any stay of this order shall apply only to the contested matter which involves such Claim and shall not act to stay the applicability or finality of this order with respect to the other contested matters covered hereby.

9. Kurtzman Carson Consultants, LLC is hereby directed to serve this order, including exhibits, in accordance with the Claims Objection Procedures Order.
